## G202P

REEV TRUCK

## LONG ENDURANCE AND STRONG POWER

- Pure electric range reaches 180km.
- Maximum torque 270 N·m, maximum horsepower 110kW.
- Front-engine, rear-wheel drive with independent suspension, ensuring enhanced stability and effortless navigation through diverse road conditions.

## LARGE CARGO SPACE

- A 3.5-meter oversized cargo box enables the transportation of longer items.
- The ultra-low tailboard height of 0.85 meters makes loading and unloading more convenient.
- Powerful dual rear wheels provide enhanced load-bearing capacity.

## ENVIRONMENTALLY CONSCIOUS DESIGN

Pure electric automated driving experience; the controls are simple and fun.

## THE CAR'S FLOATING COCKPLT

- The design of the passenger car-style cab is comfortable and safe, enabling you to easily handle various traffic scenarios.
- High-quality seats make the ride more comfortable

Knob-type gearshift

Pay attention to both practicality and aesthetic appeal.

You can use a personal mobile device or choose the official central control entertainment system.

Model		G202P
Dimensions	Overall dim. (mm)	5835*1865*1765
	Container size (mm)	3510*1780*380
	Wheelbase (mm)	3650
Capability	GVW (kg)	3495
	Curb weight (kg)	1915
Power parameter	Pure electric range (km)	180( NEDC)
	Maximum speed (km/h)	90
Battery	Battery type	LFP (CATL)
	Battery energy (kWh)	43.47
	Battery heating	●
Fuel system	Fuel	Gasoline
	Fuel tank capacity (L)	55
	Displacement (L)	1.6
Driving Motor	Max. power (KW)	110
	Max. torque (N·m)	270
Passability	Front/rear wheel track	1510/1448
	Minimum ground clearance (mm)	156
	Maximum gradability (%)	≥26
	Minimum turing diameter (m)	13.5
Chassis and braking system	Tire specifications	185/65R15LT,10PTR
	Front suspension	Double - wishbone suspension
	Rear suspension	6 steel plate springs
	Drive form	rear-wheel drive
	Brake system	Front disc and rear drum hydraulic brakes
other	Rudder	LHD
	Seating capacity	2
	Energy type	REEV
	Driver's seat	Front back/backrest four-way adjustment
	Shift mechanism	Rotary automatic transmission
	colors	Sky silver
	Cabin air conditioning	●
	Electric lifting window	●
	Central Locking	●
	Hill Start Assist	●
	ABS+EBD	●
	EPS electric power steering	●
	energy recovery system	●
	USB charge port	●
	Switching driving modes	Standard/Economy
	Electric heating system	●
	Front compartment storage box	○
	Astern image	○
	Fast charging function	●
	Slow charging function(6.6kw)	○

Note: Standard ● Optional ○
