

LINUXS SERIES REFRIGERATED TRUCK /VAN

- CATL Batteries, high-capacity, fast starting and strong power.
- Wide cold chain range, rapid cooling, stable temperature control.
- Green transportation goods, fresh and guaranteed.

Parameter
Configuration Table

	LINUXS G100P Electric refrigerated truck - pure electric	LINUXS G200P REEV refrigerated truck- hybrid	LINUXS G200 Electric refrigerated van - pure electric
Model	GXA5032XLCEV	LQG5030XLCSEHV	LQG5030XLCBEVD
Rated number of members (person)	2	2	2
Dimensions(mm)	4870*1610*2430	5910*1880*2710	5430*1760*2050
Cargo compartment size(mm)	2770*1470*1510	3262*1720*1644	2715*1500*1295
Cargo volume(m³)	6.1	9.2	5.27
Wheelbase(mm)	3050	3650	3380
Total weight(kg)	2690	3495	3000
Curb weight(kg)	1595	2110	1900
Rated load capacity(kg)	965	1255	970
Refrigerated truck category	FRE class	FRF class	FRF class
Refrigerator model model	WL-280E / WL-380E	WL-350E	WL-300E
Minimum cooling temperature	-20°C	-20°C	-20°C
Motor model	TZ180XSIN102	TZ210XSTY5209	TZ210XSTY4209
Type	Lithium iron phosphate battery	Lithium iron phosphate battery	Lithium iron phosphate battery
Battery brand/capacity(kwh)	CATL Batteries 41.86	/	CATL Batteries 53.58
Rated/peak power of motor(kw)	30/60	50/120	40/80
Range without turning on the refrigeration unit(kw)	240	51	270
Engine model	/	Wuling Liuji power LJM16A	/
Displacement(ml)	/	1590	/
Power(kw)	/	67.5	/
Comprehensive fuel consumption (L/100km)	/	3.6	/

Refrigerated Truck Cooperation Case

Food truck cold chain transport vehicle

- Wuling refrigerated trucks work together with Qinzhou Binhai Supply Chain Co., Ltd. to create a food safety chain, helping Qinzhou schools deliver high-quality and safe food to schools, ensuring the safety of teachers and students' tongues.

- As a food collection and distribution service vehicle for Weyao Supply Chain Company, Wuling refrigerated trucks guarantee the last mile of food delivery for schools in Nanning with their efficient refrigeration and stable performance, becoming a milestone event in Wuling refrigerated truck service to ensure food safety.

Cold chain transport vehicle for agricultural and sideline products

- Wuling Rongguang's new refrigerated truck serves the cold chain transportation team of Kangtai Agricultural Products Co., Ltd. in Shanglin County, Guangxi.
- The Wuling Rongguang New Card refrigerated truck, with mature refrigeration technology and precise temperature control, greatly reduces the cold chain transportation losses of agricultural and sideline products of Guangxi Hengxian Wensheng Agricultural and Sideline Products Co., Ltd.
